The tenderers should quote their best billing rates, f.o.r. Mysore which should be firm for a period of one month from date of tender. The rate should be quoted both in words as well as in figures. The offer should be for supply from my stocks.

No enhancement of rate for whatever cause will be allowed when once the quotation is accepted and the order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in the department for local purchases.

The tenders should be superscribed as "Tender for Electrical Materials, to be opened at 12 NOON on 1st July 1949."
